

Cyprus Electronic Identity (eID)

JCC Trust Portal

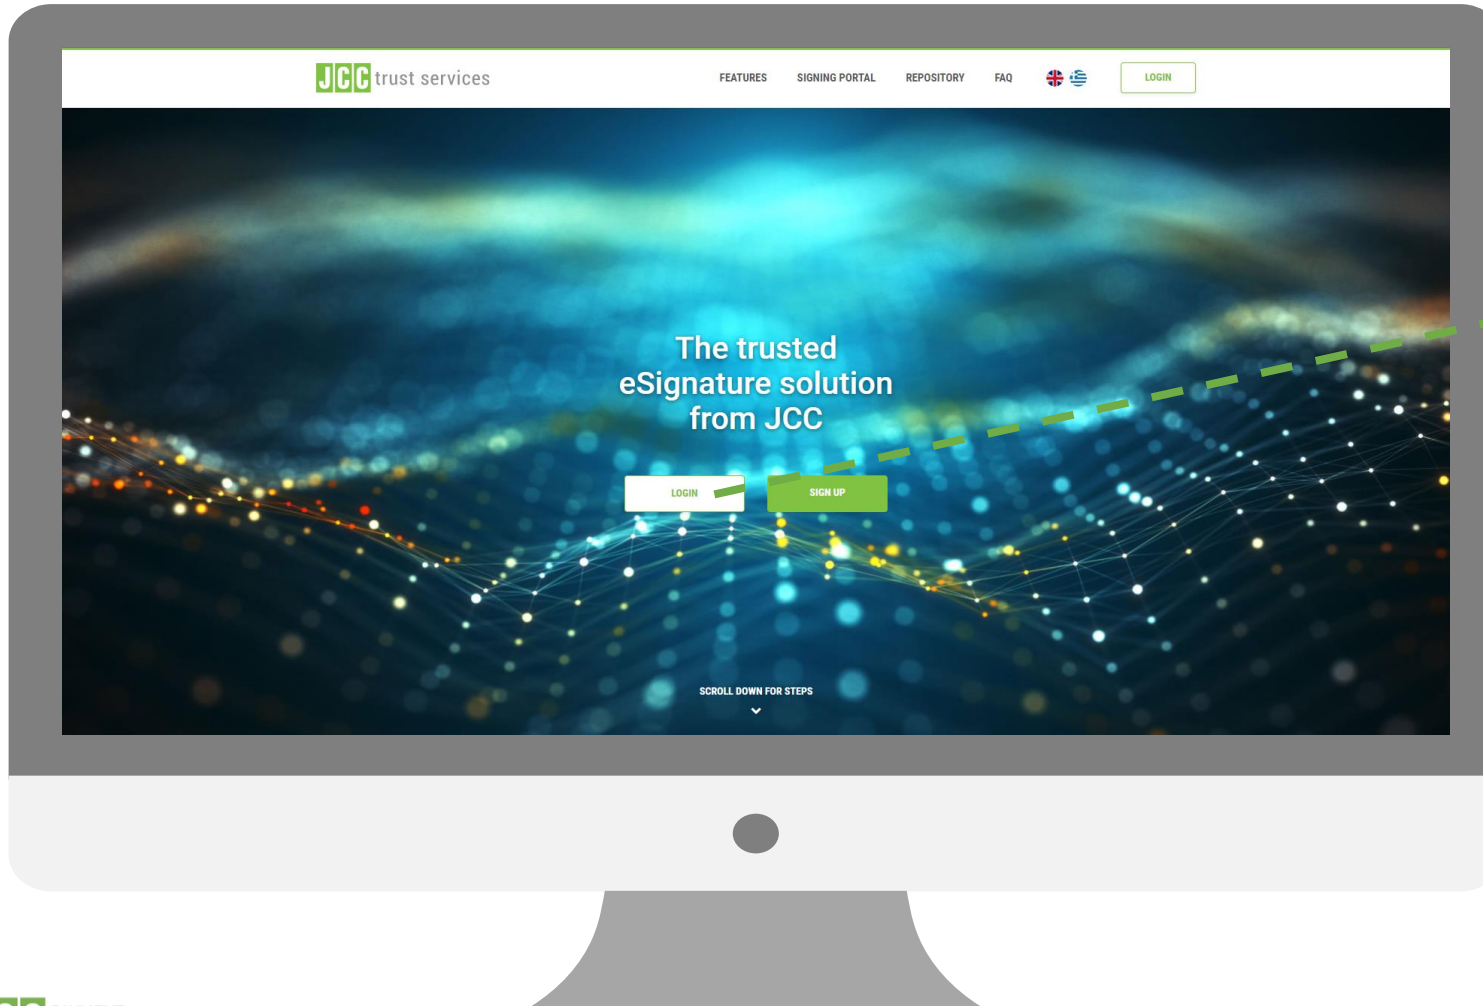

How to Generate your Cyprus Electronic Identity (eID)

Step 1a

Login to JCC
Trust Portal

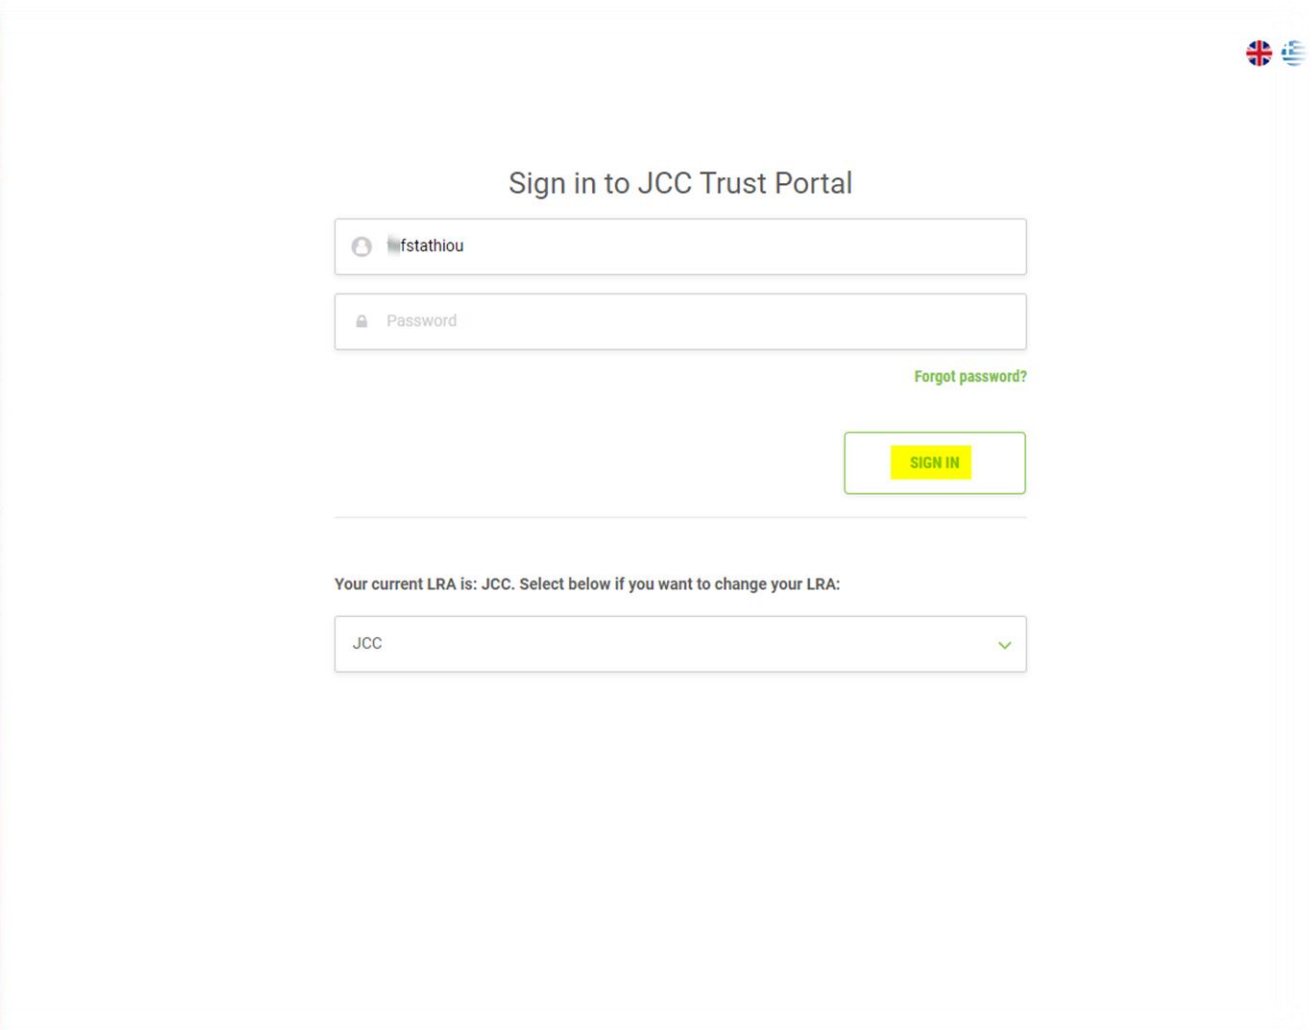

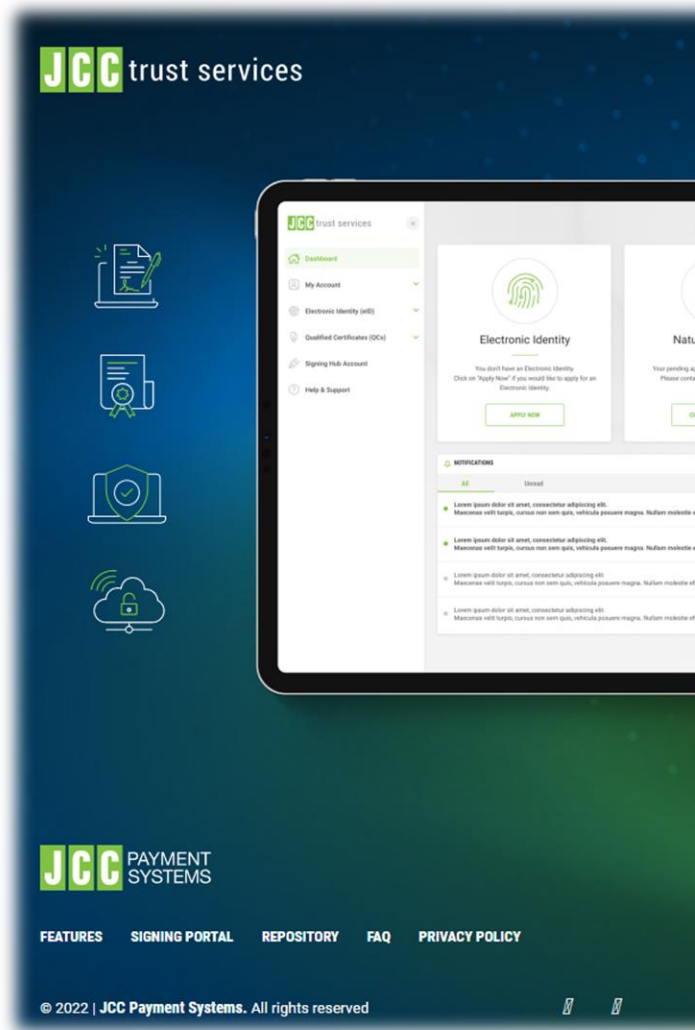

- Visit [JCC QTSP Trust Services Portal](#)
- Enter your email or username and click on “**Next**”

A close-up view of the login form on the JCC Trust Portal. The form is titled "Sign in to JCC Trust Portal". It contains a text input field labeled "Username or Email" with a user icon on the left. To the right of the input field is a green "NEXT" button. Below the input field, there is a link "Don't have an account?" and a green button labeled "SIGN UP FOR JCC TRUST PORTAL". A dashed green line with an arrow points from the "SIGN UP" button on the homepage to the "SIGN UP FOR JCC TRUST PORTAL" button in this form.

Step 1b

Login to JCC Trust Portal

- Enter your password
- Click on **“Next”**

Step 2a

Generate
your eID

- Under Electronic Identity tab, click on “**Enrol**”

The screenshot displays the JCC trust services website interface. On the left is a navigation menu with the following items: Home, My Account, Electronic Identity (eID), eID Application (highlighted), My Electronic Identity, Qualified Certificates (QCs), and Help & Support. The main content area features three panels:

- Electronic Identity:** Contains a fingerprint icon, the title "Electronic Identity", and the text "Your request for Electronic Identity has been accepted. Click below to enrol and generate your eID." A red arrow points to a yellow "ENROL" button.
- Natural Person Electronic Signature:** Contains an icon of a person signing, the title "Natural Person Electronic Signature", and the text "You have a Natural Person Certificate that expires soon. Click below to renew your certificate." A "RENEW MY CERTIFICATE" button is at the bottom.
- Natural Person associated with Legal Certificate:** Contains an icon of a person with a building, the title "Natural Person associated with Legal Certificate", and the text "You have a Natural Person Associated with Legal Person Certificate that expires soon. Click below to renew your certificate." A "RENEW MY CERTIFICATE" button is at the bottom.

At the top right of the page, there are flags for the United Kingdom and Greece, and a language selection icon.

Step 2b

Make the eID payment

- Under Electronic Identity tab, click on **"PAY"**
- Enter your card details
- Tick the box to accept terms and conditions/ privacy statement
- Click on **"Pay"**

4 SUBMIT

Step 3a

JCC Authenticator application

- Download JCC Authenticator application on your mobile device
- Click on **"Next"**

The screenshot displays the JCC trust services portal interface. On the left, a navigation menu includes: Home, My Account, Electronic Identity (eID) (with a sub-menu containing eID Application and My Electronic Identity), Qualified Certificates (QCs), and Help & Support. The main content area shows a progress bar with five steps: 1. Enroll, 2. Download JCC Authenticator (highlighted in green), 3. Sign in, 4. Enter OTPs, and 5. Singing Portal account. A central white box contains the instruction: "Download the JCC Authenticator application using your mobile phone device". Below this text are two buttons: "Download on the App Store" and "GET IT ON Google Play". At the bottom of the box, it says: "In case you have already downloaded JCC Authenticator, click on 'Next'". A green "NEXT →" button is located at the bottom right of the screen.

Step 3b

Sign in to JCC Authenticator

- Open JCC Authenticator application
- Enter your UserID, as indicated below and click **"SIGN IN"**
- On the JCC Trust Portal screen, click on **"Next"**

The screenshot displays the JCC Trust Portal interface. On the left is a navigation menu with options: Home, My Account, Electronic Identity (eID), eID Application, My Electronic Identity, Qualified Certificates (QCs), and Help & Support. The main content area features a progress bar with five steps: 1. Enroll, 2. Download JCC Authenticator, 3. Sign in (highlighted in green), 4. Enter OTPs, and 5. Singing Portal account. Below the progress bar, a white box contains the instruction: "Open the JCC Authenticator application, enter your User ID and click on 'SIGN IN' as shown below: Your userID is: *nitest2_eid*". A red arrow points to the text "nitest2_eid". Below this text is a smartphone mockup showing the JCC Payment Systems app interface with a "User ID" input field and a "SIGN IN" button. At the bottom of the white box are "← BACK" and "NEXT →" buttons.

Step 3c

Register your device to JCC Authenticator

- Within JCC Authenticator application:
 - Enter the two OTPs you will receive via SMS and Email
 - Click on **“VERIFY”**
- Within JCC Trust Portal screen, click on **“NEXT”**

The screenshot displays the JCC Signing Portal interface. At the top right, there are language options for English and Pophone, along with flags for the United Kingdom and Cyprus. A progress bar at the top indicates five steps: 1. Enroll, 2. Download JCC Authenticator, 3. Sign in, 4. Enter OTPs, and 5. Signing Portal account. Step 5 is currently active and highlighted in green. The main content area features a central message: "Create your account on [JCC Signing Portal](#) and sign your documents easily, quickly and safely!". Below this message is a visual representation of the user interface on a laptop and a smartphone. The laptop screen shows a dashboard with sections for Personal Info, Quick Actions, Enterprise Actions, and My Account. The smartphone screen displays a mobile app interface with a large number '12' and a signature. At the bottom of the main content area, there are two buttons: "ALREADY HAVE AN ACCOUNT?" and "CREATE ACCOUNT". A "FINISH" button is located at the bottom left of the page.

If you have any questions, please do not hesitate to contact JCC via email at trust-services@jcc.com.cy or via phone at +357-22 868500.
